

Dear Family & Friends,

God has given me the opportunity to go on a short-term medical mission trip to Honduras Central America with Central American Relief Efforts (DATE). The team will serve the poorest of the poor in Pespire with spiritual and physical health care. Our team will provide medical care to patients as we minister.

I am writing to ask you to prayerfully consider joining our team through your support. First, please partner with me in praying for the people we will be serving, for my health and effectiveness as a team member, and for the many details of this mission trip.

Second, please consider supporting me financially for this outreach. The cost of this two-week trip is \$(AMOUNT) plus \$(AMOUNT) for airfare. If you would like to join the team in this way, please make your tax-deductible gift by a check payable to

Central American Relief Efforts and send it to the address on the form below.

I am also including a list of medical and supply needs that can be donated to this trip if you would like to participate in this way. Thank you for praying about being a vital part of our team.

Sincerely,
